A spacious work surface and functional accessories: the Z1 exudes order and practicality.

The cable basket and flap discretely conceal all wiring to guarantee the aesthetic appearance of the product.

Un ampio piano di lavoro e accessori funzionali: Z1 è un esempio di ordine e praticità. Le griglie raccoglicavi e gli sportelli per l'accesso ai cavi nascondono i fili in modo discreto, nel rispetto dell'estetica del prodotto.

Furnish with light: the LED strips highlight the rational geometry of the Z1's lines, clearly defining the intersection between the modules and underlining the dialogue between the main body and the base on which it sits.

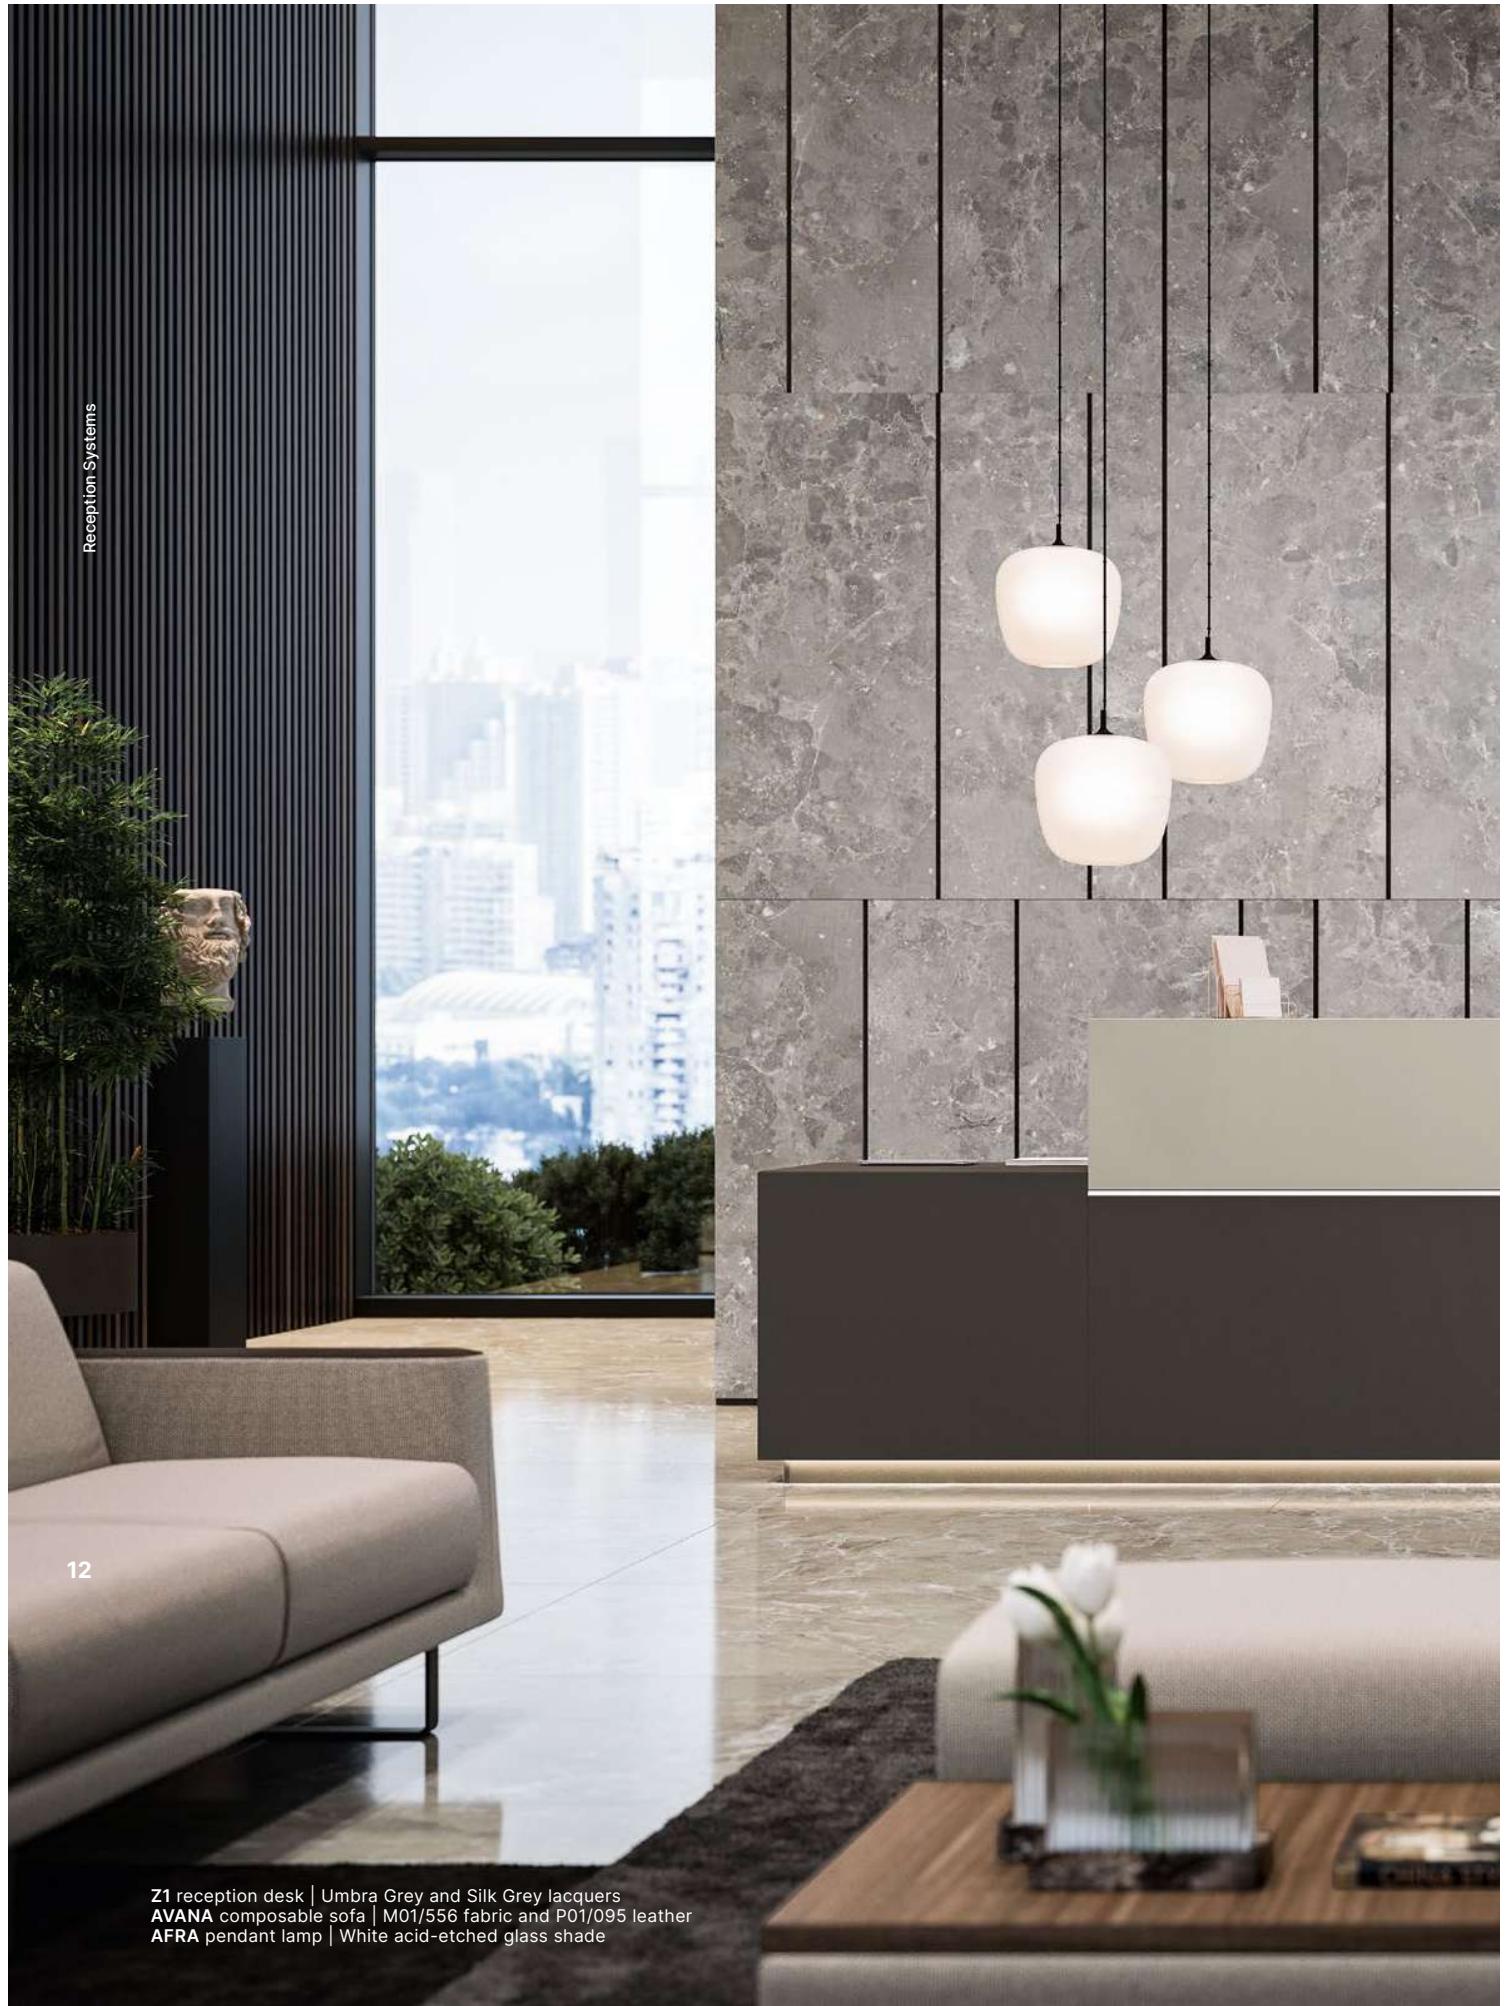

Arredare con la luce: le strip led evidenziano la geometria razionale delle linee di Z1, definendo al meglio l'intersezione tra i moduli e sottolineando il dialogo tra il corpo principale e la base su cui poggia.
